Re: **Bill No. HB 5488**

An Act Concerning Healthcare Coverage for Probate Court Personnel

Dear Judicial Committee Members:

My name is Paula A. Marchetti, I am a resident of Torrington, CT., and I've worked for the Torrington Area Probate Court for 11 plus years. I would like to ask your full support for **HB 5488**, an act concerning healthcare coverage for Probate Court personnel.

This bill will align the cost of dependent healthcare coverage for Probate employees and Judges with the terms and conditions of all other employees governed by the state healthcare plan in the same statute. As it stands now, the Probate Court employees are the only employees that pay a higher premium for dependent healthcare.

If statutes changes, and bill **HB 5488** is passed, employees and their families will have better access to healthcare. Please support this bill; it is very important to me and my family. Thank you for your time and consideration to this matter.

Sincerely,

Paula A. Marchetti
